Vice President &
Corresponding Secretary

Betty Greene,
Recording Secretary

Dear Scholarship Recipient:

As treasurer of the Norwood High School Scholarship Foundation, I will send a check made payable to your college for the amount you indicate on the form below. This check will be sent directly to your college at the address you provide.

Foundation monies can be used only for tuition. Therefore, if the amount of the scholarship exceeds the amount you owe for tuition, the Foundation will keep the excess amount for payment toward the following year's tuition. The student is responsible for informing the Foundation of this situation. Any unused tuition funds will revert back to the Norwood High School Scholarship Foundation. Such money may be used for graduate school tuition only, within 5 years of completion of an undergraduate degree.

Please fill out the form below and send it to me by **JULY 1st**. It is essential that you complete the form accurately, especially your college student ID number and amounts.

Please direct any questions to the NHS Scholarship Foundation President, Drenda King at 513-477-5128
